CATALOG

SALE RESTRICTIONS

1 This product is covered under a CARB EO and is legal for sale and use in all 50 states.

1 "CARB E.O." means the specified Executive Order issued by CARB. An Executive Order constitutes an exemption by CARB from CA Vehicle Code 27156 and 38391, for sale of the part number for the make/model/year fitment(s) specified in the Executive Order.

50 State Emissions Compliant

Vendor must provide CARB E.O. #

No USA Territory Restrictions

2 This product is covered under a SEMA Certified Emissions certification or has otherwise met the requirements of the EPA's Tampering Policy and is legal for sale in states that do not mandate an EO.

2 "Qualified Manufacturer Declared 49-State Federal Emissions Compliant Part" (Not legal for sale or use in California) means any aftermarket part intended to replace an original equipment emissions-related part and that meets all EPA emission regulations by installing the element of design in all emissions-related respects to the certified configuration of the vehicle, engine, or piece of equipment. This manufacturer has declared in writing that it has fully documented the emissions testing of an appropriate test vehicle, engine, or piece of equipment that had been identically altered and that the part meets all applicable emissions standards for that make/model/year fitment(s) advertised.

49 State Emissions Compliant

Vendor must supply a SEMA Emissions Certificate or similar content self declaration letter with Y/M/M fitment

Blocked from sales into California

3 This product is not legal for street use on an emissions-controlled vehicle. It may be used on dedicated competition or pre-pollution-controlled vehicles only.

3 Parts designated as "Race Only" are for use only on vehicles used for competition racing and are not for use on vehicles registered for use on public roads. Sale and/or installation of "Race Only" parts in any way inconsistent with this warning is prohibited and may result in enforcement by the U.S. EPA under the federal Clean Air Act. "RACE ONLY" PARTS ARE NOT LEGAL FOR SALE IN CALIFORNIA ON ANY POLLUTION CONTROLLED MOTOR VEHICLES.

Race Only

Vendor - No requirements

Blocked from sales in all States unless the dealer signs acknowledgment of dealer's obligation to ensure sales or installation on "Competition Use" only vehicles and not for highway use.

4 This product does not require an EO in California. By nature of its design, it is legal for sale and use in all 50 states. Replacement parts included.

4 "Qualified Manufacturer Declared Replacement Part" means any aftermarket part intended to replace an original equipment emissions related part and which is functionally identical to the original equipment part in all respects which in any way affect emissions (including durability), or a consolidated part, that has been evaluated and declared by the manufacturer to meet this definition and carry this categorization and designation label. This manufacturer has declared in writing that it has documentation, based upon sound engineering judgment, indicating the replacement part does not reduce the effectiveness of any required emission control device and it does not cause the modified vehicle/engine/equipment to exceed applicable emissions standards for that make/model/year fitment(s) advertised.

Replacement Part

Vendor must supply a self declaration statement with Y/M/M fitment

No USA Territory Restrictions

LeMans requires Vendors to add an "Emissions Compliance Code" to all emissions critical component sku listings. If no emission code is provided by the Vendor, the default code is 3.

LeMans cannot make any determination on emissions compliance and relies solely on information provided by the vendor.

Vendor will indemnify LeMans from any liability arising from miscategorization of the emissions code on the part of the vendor.

SEMA - Specialty Equipment Market Association offers a wide range of resources for its members

Detailed information can be obtained from their emissions compliance handbook
