IMPORTANT INFORMATION

IMPORTANT INFORMATION FOR DEALERS TO PASS ON TO THEIR CUSTOMERS.

GENERAL SAFETY WARNING

Any fitment information provided on this website is intended only as a quick reference guide to fitment information provided to direct you to the manufacturer's information. Consult manufacturer publication(s) and/or website(s) for specific fitment and application information and other important information. This fitment information is based upon the stock version of the motorcycle or unit referenced and any accessory added or other modification could invalidate the quick reference information provided.

Failure to follow manufacturer's recommendations and requirements can cause product failure resulting in serious injury or death. While care has been taken in collecting this quick reference fitment information, LeMans Corporation accepts no liability for loss or damage resulting from errors or omissions. If you believe any of the information you are provided is erroneous, please email fitment@parts-unltd.com.

GENERAL RIDING SAFETY INFORMATION

Riding motorcycles, ATVs, UTVs, snowmobiles, personal watercraft and any other powersports vehicles is a dangerous activity. When riding, always wear a helmet, eye protection and protective clothing. There is no assurance that serious injury or death can be avoided even if you wear the product shown on this website and take all precautions to avoid every risk. Please ensure that any products you purchase fit properly. Improperly fitting products can impair your ability to control your motorcycle, ATV, UTV, snowmobile, personal watercraft and any other powersports vehicle.

TIRE SAFETY WARNING

Always maintain recommended tire pressure. Under inflated tires can overheat and fail. Do not exceed manufacturer's maximum pressure shown on tire. Follow tire manufacturer's recommendations for maintenance and care of tires. Allow only trained personnel using proper equipment to mount tires.

WHEEL SAFETY WARNING

When selecting wheels, the tires for your application must have a load index and speed rating equal to or greater than the tire fitted as original equipment. Consult manufacturer's publication(s) and/or website(s) for complete information.

EMISSIONS AND NOISE REGULATIONS

NOTE: The California Air Resources Board ("CARB") does not permit the use of aftermarket emissions-related part(s) that alter the performance of OEM emissions-related devices unless CARB has issued an Executive Order, other than on racing vehicles on closed courses. Check your local laws and manufacturer's information. More California exhaust information is available at www.arb.ca.gov/.

NOTE: Parts designated as "Race Only" are for use only on vehicles used for competition racing and are not for use on vehicles registered for use on public roads. Sale and/or installation of "Race Only" parts in any way inconsistent with this warning is prohibited and may result in enforcement by the U.S. EPA under the federal Clean Air Act. "RACE ONLY" PARTS ARE NOT LEGAL FOR SALE IN CALIFORNIA ON ANY POLLUTION CONTROLLED MOTOR VEHICLES.

NOTE: Aftermarket products, including but not limited to exhausts, catalytic converters, oxygen sensors, fuel/air controller modules, air filter kits, camshafts, O2 eliminators, and carburetors and jet kits which alter, modify, or replace emission control devices or systems of an originally compliant highway motorcycle, are not legal for sale or street use in California unless they have been issued a CARB Executive Order. Aftermarket emissions-related products which have not been issued an Executive Order or which are not aftermarket Replacement Parts, as defined in Title 13, California Code of Regulations, Section 1900(b)(2), are authorized for closed circuit race use only. Products shown may be designed, manufactured, intended and sold for closed circuit race use only and use of the same on public roads or lands may be a violation of local, state and/or federal laws. See manufacturer's information and state and local laws to determine what is authorized for your use on your vehicle.

The following emissions-related defined terms are used in this catalog (PARTS WITH THE FOLLOWING DESIGNATIONS IN THIS CATALOG ARE NOT ILLEGAL FOR SALE IN CALIFORNIA UNDER CARB REGULATIONS):

- **"CARB E.O."** means the specified Executive Order issued by CARB. An Executive Order constitutes an exemption by CARB from CA Vehicle Code 27156 and 38391, for sale of the part number for the make/model/year fitment(s) specified in the Executive Order.
- **"Replacement Part"** means any aftermarket part intended to replace an original equipment emissions-related part and which is functionally identical to the original equipment part in all respects which in any way affect emissions (including durability), or a consolidated part.
- **"Qualified Manufacturer Declared Replacement Part"** means any aftermarket part intended to replace an original equipment emissions-related part and which is functionally identical to the original equipment part in all respects which in

any way affect emissions (including durability), or a consolidated part, that has been evaluated and declared by the manufacturer to meet this definition and carry this categorization and designation label. This manufacturer has declared in writing that it has documentation, based upon sound engineering judgment, indicating the replacement part does not reduce the effectiveness of any required emission control device and it does not cause the modified vehicle/engine/equipment to exceed applicable emissions standards for that make/model/year fitment(s) advertised.

In addition, for 49-State compliance, the following term applies:

- **"Qualified Manufacturer Declared 49-State Federal Emissions Compliant Part"** (Not legal for sale or use in California) means any aftermarket part intended to replace an original equipment emissions-related part and that meets all EPA emission regulations by installing the element of design in all emissions-related respects to the certified configuration of the vehicle, engine, or piece of equipment. This manufacturer has declared in writing that it has fully documented the emissions testing of an appropriate test vehicle, engine, or piece of equipment that had been identically altered and that the part meets all applicable emissions standards for that make/model/year fitment(s) advertised.

NOTE: Products shown may not conform to federal, state or local emissions and/or noise regulations.

SALES OF RACE ONLY PARTS

The federal Environmental Protection Agency's policies related to tampering and defeat devices are publicly available at the following sites:

https://www.epa.gov/sites/production/files/2020-12/documents/epatamperingpolicy- enforcementpolicyonvehicleandenginetampering.pdf

https://www.epa.gov/sites/production/files/2020-12/documents/tamperinganddefeatdevices-enfalert.pdf

https://www.epa.gov/sites/production/files/2021-01/documents/caatitleiivehicleenginepenaltypolicy011821.pdf

The EPA has taken civil and criminal enforcement action against companies and individuals for violations of the Clean Air Act's tampering and defeat device prohibitions. By ordering "Race Only" parts from LeMans Corporation, d/b/a Parts Unlimited® and Drag Specialties® ("LeMans"), you as the selling retailer expressly acknowledges and assumes all the responsibility for ensuring and documenting information to verify that the sale or installation of every "Race Only" part is for competition racing vehicle use only. Examples of such documentation include:

- Require that the buyer of the part(s) sign an acknowledgement that the part is for "Race Use Only." The acknowledgement would contain enough information (i.e., invoice number, purchase date, purchaser name, part number, etc.) to be able to track the part to its ultimate installation.
- Evidence that the vehicle is not registered in any State for highway use.
- The detailed owner or operator information and vehicle VIN are recorded.
- The vehicle is being used in only closed course competition events like King of the Baggers®, BRL Bagger Racing League®, SUPPER HOOLIGAN®, AMA FLAT TRACK®, or one of the hundreds of similar competition racing use only events throughout the US (road race, flat track, drag racing and land speed).

If you have questions regarding the information that you should collect as evidence that the part purchased from LeMans and sold or installed by you/your company will be used only on a "Race Only" vehicle as intended, please refer to your legal counsel or racing trade association.

This notice is a material condition of LeMans' willingness to sell the product to you. By accepting the terms:

1. You are solely responsible to verify and document that use of "Race Only" parts will be limited to competition racing use consistent with the terms of this notice on each individual sales transaction;
2. You will provide LeMans with copies of the documentation that shows evidence of the use of "Race Only" parts purchased from LeMans upon request; and
3. You consent to the disclosure of your identity to any governmental entity responsible for regulating emissions and/or enforcing emissions laws, if requested.

WARRANTY

There is no warranty on exhaust pipes and mufflers with regard to any discoloration. Discoloration (blueing) is caused by tuning characteristics, i.e. cam timing, carburetor, etc., and is not caused by defective manufacturing. See the Chemicals and Lubes section for products that will help prevent or remove blueing. Check your applicable laws and manufacturer's publication(s) and/or website(s) for manufacturer's warranty, maintenance, safety, mounting and any regulatory compliance/non-compliance information.

WEBSITE CONTENTS

We assume no liability for any errors in listings, specifications, part numbers, prices or model applications. We reserve the right to change specifications, product descriptions, pricing and application at any time without notice and without further obligation. The reproduction of any material from this website is forbidden without our written approval.

PRODUCT WARRANTIES

We do not guarantee the items sold by us or warrant the merchantability or fitness for purpose. Manufacturers supply their own warranties and guarantees and most of them do not permit a wholesaler or distributor to make any adjustment, replace any part or accept for return or exchange any defective or unsatisfactory item. Please follow the guarantee or warranty instructions when provided by the manufacturer. Any damages arising from the design or manufacturing of any item are the sole responsibility of the manufacturer.

Improper Care or Misuse: LeMans Corporation shall have no obligation hereunder in the event the Goods have been modified by any other person or organization, or where the Goods become defective in whole or in part as a result of improper installation, improper maintenance, improper use, abnormal operation or any other misuse or mistreatment of the Goods.

Proof of Purchase: LeMans Corporation shall have no obligation hereunder in the event the Customer is unable to present a receipt evidencing the date on which the Customer purchased the Goods.

Exhausts: Exhaust systems are warranted for manufacturing defects only. There is no warranty on exhaust pipes and mufflers with regard to any discoloration. Discoloration (blueing) is caused by tuning characteristics, exhaust timing, carburetor jetting, overheating, etc. and is not caused by defective manufacturing.

Disclaimers of Warranties: TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LEMANS CORPORATION MAKES NO WARRANTIES REGARDING THE PRODUCTS, AND HEREBY DISCLAIMS AND EXCLUDES ALL EXPRESS OR IMPLIED WARRANTIES REGARDING THE PRODUCTS, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Any models, drawings, plans, affirmations of fact, promises or other communications by LeMans Corporation with reference to the performance of the Goods are solely for the convenience of the Customer and shall not in any way modify the expressed warranties and disclaimers set forth herein. The purchase and sale of products is solely on the terms set forth herein. No party is authorized to make any warranties on behalf of LeMans Corporation or to assume for LeMans Corporation any other liability in connection with the Goods.

Consequential Damages: TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LEMANS CORPORATION SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING FROM THE BREACH OF ANY WARRANTIES, THE FAILURE TO DELIVER, DELAY IN DELIVERY, DELIVERY IN NON-CONFORMING CONDITION, OR FOR ANY OTHER BREACH OF CONTRACT OR DUTY BETWEEN LEMANS CORPORATION AND THE CUSTOMER.

Limitation of Actions: Any action resulting from the breach of any warranty contained herein by LeMans Corporation must be commenced in one (1) year after the cause of action is accrued. In no event shall LeMans Corporation's total liability for any or all breaches exceed the purchase price of the Goods.

"Customer" – As used herein, the term "Customer" shall mean retail purchasers of Goods.

All model designations and applications used herein are determined by the manufacturer as USA-specific. Contact the individual manufacturer for additional international model information.
